Report cards- Oct. 18th
4th grade music concert- November 16th @ 6:30

Here's what we've been working on this week

Reading/ELA– We worked on theme, pronouns, inferences, and root words this week. Next week we will be in Unit 2 week 2. Details on back! We will have vocab/big book story test on Thursday. Weekly skills test on Friday. **(Since we take tests on iPad, I am having the students take screen shots of their test. It will then be stored in their photos on their iPad for you to see. This way you can see what they missed.)** * Students should be reading at home at least 15– 20 minutes every night. They can do this silently, with someone, or reading to someone.

Math– We are now in chapter 3. We will be working on 2 digits by 2 digit multiplication. Facts quiz every Friday! **Make sure you are practicing your multiplication facts at home. We are getting into some harder math...we can't afford to be counting on fingers.*

Social Studies– This week we have been working on creating posters about Indiana in class!

*Science- we will start Science after Fall Break!

Spelling– We will be working on digraphs. Test on Friday!
